# Bournemouth

A welcoming town on the Dorset Coast, Bournemouth is one of England's most popular seaside destinations, known for pristine beaches, lush gardens and a lively student population. Our school is located a short walk from the beach.

## Popular seaside student town

The English resort of Bournemouth attracts millions of visitors each year with its lovely setting and seaside charm. During your EF Academic Year Abroad, explore Britain's best beaches and the picturesque Victorian town center. After class, spend time at the Bournemouth Oceanarium for an underwater perspective, or shop at the town's exclusive boutiques. Evenings, choose from an array of activities, including theater and concerts. Cozy pubs and student nightclubs will become your favorite hang-outs. The lively student atmosphere is the perfect setting for studying English.

## Friendly school, many amenities

Study in Bournemouth and you're just a ten-minute walk from the town center and the bustling Bournemouth Pier. The renovated school provides light and spacious classrooms, designed for small-group learning. Our experienced academic staff provide excellent preparation for all major English exams. At lunch time the extended patio area in the peaceful private garden is a favorite location. In the summer this is also the center of student life with a barbecue and outdoor parties. Choose to live with a friendly homestay or in our comfortable residence, only a short walk from the beach.
